Combined Teams of Two Coast Schools Don't Equal Entries of Any One Eastern College, But They Land Near Top

MURRAY, STANFORD, PROVES TO BE HERO

Cornell Rooters Step Down from Their Dignity and Give Doughty Stanford Captain Exclusive School Cheers

[Republican A. P. Leased Wire] CAMBRIDGE, Mass., May 27.—Cornell won the intercollegiate track and field championship in the Harvard stadium this afternoon for the third consecutive year with one of the most evenly balanced athletic combinations that Trainer Jack Moskley has uncovered in many a season. The University athletes piled up a total of 45 points to Yale's 29, while the two Pacific coast universities, Stanford and California, tied for third place with 22 points each after crossing the continent to give an exhibition of the type of collegiate performers developed in their state.

The ability of the Californians is attested by the fact that small squads like outranked Pennsylvania, which scored 18 points; Dartmouth, with 14; Michigan with 13; Harvard, with 11 and Princeton with ten; Bowdoin 5; Syracuse 3; Pennsylvania state 2; and Massachusetts Institute of Technology 1.

The victory of the Cornell team was far more impressive than a year ago, when the red and white athletes won by a score of one half point. The field of entrants today was the best that ever has assembled to compete for I. C. A. A. A. titles. So keen was the struggle for points that two intercollegiate records and one world record were supplanted during the battles of speed on the fast Harvard track.

Captain J. E. (Ted) Meredith of the Pennsylvania team was the individual hero. The famed Olympic, National and intercollegiate champion closed his track career as a collegian by winning the 440 yard dash in 47 2-5 seconds, which is a new world's record around the turn.

About one hour later Meredith raced home first in the half mile run, winning from a sterling group in one minute 23 seconds, which was 2-5 of a second faster than the intercollegiate record.

Captain F. S. Murray of Stanford, fairly flew over the high hurdles, winning the 120 yard event in fifteen seconds flat, thus clipping 1-5 of a second from the former record. Murray was cheered for fully a minute and the Cornell contingent in the stands gave him the nine "rape" of the Ithaca University.

Cornell nearly went into the record breaking class itself for F. K. Foss, won the pole vault with 12 foot 8 inches.

The real class of the Ithaca runners was demonstrated in the two mile run when they took the first four places.

Windnagle added his name to those of Foss and Potter as Cornell winners in the mile run. He ran a heady race ending the lead from Overton of Yale, after the latter had set the pace for three quarters of the distance. Windnagle won by fifteen yards in four minutes fifteen seconds, within 3-5 of a second of the record.

Aside from Cornell's team victory and Meredith's record breaking performances, the feature of the day was the splendid showing made by Stanford and California. These two universities combined entry did not equal the single teams of several of the larger institutions of the east, but between them they were able to collect 44 points, one less than the winning total of Cornell. Stanford placed men in five events and California a like number. Stanford, with Murray and Norton, made fifteen points in the two hurdle races and California two firsts and a third in the shot and hammer.

AUTOS BY MILLION BEING BUILT NOW

"There have been more than enough automobiles built since January 1st to supply every participant and every observer of the recent New York preparedness parade—the longest in the history of America," says H. S. Daniels of the KisselKar.

It needs comparison of this sort to fully drive home the enormity of the present production of cars. You think of 150,000 people walking, twenty abreast and occupying thirteen hours to pass a given point, as a wonderful feat. But how about more than three times as many machines? Enough to stagger the imagination isn't it?

"And yet there is a ready market for more than the number of cars made. Dealers everywhere are clamoring for them and June promises to smash to smithereens the sales record of any month since the automobile was born. The Kissel factory is well prepared to take care of its share of this June business, its scheduled output being on the basis of continuous night and day work in nearly every department."

Talbott Is For Baseball Match Frontier Week

(Special to The Republican) CLARKDALE, May 27.—Plans for a baseball tournament in which Clarkdale, Prescott and Humboldt may meet several of the Salt River valley teams in Prescott during Frontier week. The being suggested by Manager L. C. Talbott of the Clarkdale team. He will take the matter up with the Frontier day committees, to see if any aid can be secured for such a tournament, which would be the first of the sort, involving teams of the north and of the Phoenix region.

The Clarkdale Miners play a picked Kingman team here on June 1.

OUTLAWS JOURNEY TO MESA—TUESDAY GAME

Due to the unforeseen difficulties that beset the Asylum team this week, the guards will not be able to meet their Memorial day date with the Outlaws. The latter will substitute a Tuesday game afternoon carnage with the Jewels on the latter's home lot.

TEMPE-MESA CLASH TODAY

Recalls Old Times, Does This Baseball Fuss Between Two Southside Teams On Tempe Ball Grounds

(Special to The Republican) TEMPE, May 27.—It will seem like old times tomorrow afternoon with the Mesa aggregation of ball tossers working on the local diamond and with the Bears in good shape after several hard workouts this week some classy ball is promised for the Sunday contest.

The two south side clubs have always been hard contenders and invariably a close, hard fought for score, results. To date, Tempe has won two out of three games with Mesa this season.

The Bears have a choice tomorrow between Leachy Oviedo, Mack Nevitt and Dutch Bauer and it is still a toss up as to who will work on the slab. Any one of the trio is fitted for the job and could just as well work in the outfield. Finch will be behind the bat, and on the infield will be Thurman at third, Kelly Moen at short, and Chase at second. The trio makes an airtight machine around its territory.

Mesa will work with its lineup much the same as in previous games but will likely spring a dark horse in the pitcher's box.

The game will be called at three o'clock.

POLICE RESCUE UMPIRES WHEN FANS RISE UP

Sioux City Fans Get Enraged at Decisions and Start Out to Lynch Umpires, Who Forfeit Game to Wichita Team

[Republican A. P. Leased Wire] SIOUX CITY, May 27.—Umpire Mullen forfeited today's game to the Wichita club at the beginning of the ninth inning with the score 9 to 7 in favor of Wichita.

Mullen's action followed the refusal of Manager Gaspar to allow his men to take the field in the ninth inning unless Umpire Andrews was in no physical condition to officiate.

Following the forfeiture of the game more than 500 enraged fans attempted to mob the umpires. The fans surged out on the field and drove the arbitrators to their dressing room where they were rescued by a squad of patrolmen, who escorted them to police headquarters where they remained, until the crowd which had followed them to the station, dispersed.

President Hanlon announced that he would protect the game to President Zehrung.

GENE DELMONT WOULD BE BRIGHTER STAR IF HE HOOKED UP WITH A LIVE MANAGER

Gene Delmont.

Gene Delmont, the Memphis lightweight, is a boy that would have a more brilliant rep if he had been fortunate enough to hook up with a live manager.

Most fighters know the importance of having a manager with brains, and Delmont knows the lack of one. Since starting the game in 1911 Delmont has fought a twenty-round draw with Stanley Yaskum, won a twenty-round fight from Frankie Conway, drew with Ad Wolgast in seven rounds, won from Benny Chavez in twenty rounds, won a decision over Cal Delaney, and has put up rattling fights with the best that Johnny Kilbane, Jack White, Matt Brock and Frankie Burns could offer. Gene is not particular about weight and will fight anyone from a bantam to a light heavyweight. The only thing that has detained him so far is the want of the right manager.

Game called at 3 p. m. sharp. Umpires: Geary and Brown.

When the White Sox meet the Phoenix Braves this afternoon on the Polk street ball grounds it will be one grand game. Old Smokey Joe Smiley will pitch for the Braves and with the Butler brothers playing on the infield and little Van Buren behind the bat, it will put new life in the old Maroon team.

The White Sox have improved considerably since their defeat last Sunday by Mesa. The line-up will contain a few new players and Captain Haldiman thinks with the line-up he will play this afternoon the Sox will have a pretty good chance of victory. Coach Francis Geary will umpire the game.

DOVE AND WHITE WING SEASON OPENS JUNE FIRST

This is the "big thing" in the shooting line. Are you ready for it? Throw away or shoot up before the hot weather, all your old ammunition. This (unlike "personal use") does not improve with age.

We Received May 23 a Solid Carload of Winchester Leader and Repeater Shotgun Shells

These are freshly loaded to our order. Owing to a freight rate less than half that of a year ago we are able to make very low prices on shotgun shells in case lots.

A car-load of SELBY SHELLS, loaded in the new black shells, Ajax and Climax, will be in this week; delayed on account of being loaded to order.

Our many years in the ammunition business has convinced us that old ammunition is practically worthless, as well as dangerous.

To DEALERS who want the best and fresh ammunition, we quote the lowest wholesale prices on ammunition and all standard makes of firearms.
